LETTER FOR CARERS WHO RECEIVE CARERS ALLOWANCE IN NORTH WEST LONDON (NWL) ELIGIBLE FOR A COVID-19 VACCINATION

I am delighted to let you know that carers who receive carers allowance are now being prioritised for Covid-19 vaccination. We would like to invite you to book your vaccination at either Wembley or Ealing Vaccination centres.

As part of the verification process you will need to bring photographic ID and proof of carers allowance when you attend your vaccination appointment.

We appreciate that many people are eager to be vaccinated and may worry about friends or family who have not yet been invited. However, it is really important that we continue to vaccinate in order of priority - the links and booking line below are just for you, as a carer who receives Carers Allowance, and can only be used by you.

Please do not share the booking information in this letter

We recognise that Wembley and Ealing may not be convenient locations for everyone who receives this letter. There will be more options at a later date, but if you are eligible for vaccination and can travel to the centre, please do take up the offer of a vaccination – this is important for your own safety and wellbeing, but also to allow us to protect the most vulnerable in our communities. [There are FAQs available on our website](#) which will answer questions you may have about the vaccine.

Thank you and we look forward to welcoming you to our vaccination centres.

BOOKING DETAILS

Instructions before booking

- Please ensure that you have your NHS Number at hand before you begin this process. If you do not have your NHS number you can find it here [Find your NHS number - NHS \(www.nhs.uk\)](https://www.nhs.uk)
- Please ensure that you enter the same email account when registering and booking your appointment.
- Please do not book multiple appointments.

Please book your vaccination at the centre most convenient for you:

- I. **Wembley vaccination hub**, Network House, 8 Fulton Rd, Wembley, London, HA9 0NU

Questions

If you have questions about the COVID-19 vaccine, please read the following leaflets:

- [What to expect after your COVID-19 vaccination](#)
- [COVID-19 vaccination: protection for health care workers](#)

YOUR VACCINATION APPOINTMENT

Please do not arrive more than 10 minutes before your allocated slot. You will not be able to enter the centre early and you put yourself and others at risk if queues are created outside the centre.

You will need to bring photographic ID and proof of carers allowance when you attend for your appointment.

You should also bring your [NHS number](#) having this available will help speed up the process considerably. Please do make an effort to locate your NHS number prior to your appointment if you can, as any delays at the vaccination site will reduce our capacity to vaccinate those people who need it most.

You must wear a mask at all times.

If you have any Covid-19 symptoms please do not attend your appointment. You will be able to re-book a vaccination at a later date if necessary.
