Head Teacher: Ms. Gillian Carver

To all parents and carers,

June 2021

**Privacy Notices:**  
Information about pupils in schools, alternative provision,  
pupil referral units and children in early years settings

**Data Protection Act 1998: How we use pupil information**

St. Ann's collects and holds personal information relating to our pupils and may also receive information about them from their previous school, local authority and/or the Department for Education (DfE). We use this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

This information will include their contact details, safeguarding and attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnicity and language, free school meal eligibility, any special educational needs they may have as well as relevant medical information. For pupils enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

Once our pupils reach the age of 13, the law requires us to pass on certain information to the Connexions service, who provide Youth Support Services in Ealing who have responsibilities in relation to the education or training of 13-19 year olds. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them. A parent/guardian can request that **only** their child's name, address and date of birth be passed to the Connexions Service by informing Sharan Sandhu, Data Manager, or Katrina King, School Business Manager. For more information about services for young people, please go to our local authority website.

Under GDPR, parents and pupils have the right to request access to information about them that we hold. To make a request for your personal information, or be given access to your child's educational record, contact: Sharan Sandhu – Data Manager, or Katrina King – School Business Manager.

We are required, by law, to pass certain information about our pupils to our local authority (LA) and the Department for Education (DfE). DfE may also share pupil level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

Decisions on whether DfE releases this personal data to third parties are subject to a robust approval process and are based on a detailed assessment of who is requesting the data, the purpose for which it is required, the level and sensitivity of data requested and the arrangements in place to store and handle the data. To be granted access to pupil level data, requestors must comply with strict terms and conditions covering the confidentiality and handling of data, security arrangements and retention and use of the data.

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>

Much of the data about pupils in England goes on to be held in the National Pupil Database (NPD).

To find out more about the NPD, go to
