Head Teacher: Ms. Gillian Carver

24th May 2022

Dear Parents/Caregivers,

Ealing Council is working with local health and social care services and the Power Group at Ealing Mencap to write a new all-age learning disability strategy. The strategy will be drafted in the summer and then adopted by the Council and the North West London Clinical Commissioning Group in autumn 2022.

We would like to invite you to a coffee morning being held at St. Ann's School on the **16th of June 2022 at 10:00am** to meet Annemarie Braganza, Community Inclusion Manager at Ealing Mencap; Alan Hiscutt, the lead commissioner for the all age LD strategy and Richard Woodward, the lead commissioner for the YP short breaks and therapies review. Also present will be Sabrina and Ziggy from Ealing Mencap's new family support service. They would like to ask you for your thoughts and crucial input as they prepare to create their strategy. The strategy will outline what they will do in the future to improve things for children and adults with a learning disability. They are seeking your views on a range of things relevant to people with a learning disability, such as accommodation, social connection, employment, safety, and improving health and lives, among others.

We would greatly appreciate your attendance as your insight into the lives of young people with disabilities and their needs is fundamental to creating a strategy that is not only effective but also appropriate.

Please call the school on 02085676291 or email me on hhabbooby.307@lgflmail.org to confirm your attendance.

Thank you for your time and I hope to hear from you soon.

Yours sincerely,

Huda Hakme.
