Head Teacher: Ms. Gillian Carver

9th September 2022

Dear Parents/Carers

A very warm welcome to the new academic year. We have had a very busy and exciting first week back and it has been a delight to have our Year 7 students in school for the first time.

All of our young people seem happy and healthy after the long summer holidays and as usual we can't get over how so many of them have grown, matured and of course had new haircuts during the break!

All the students seemed pleased to be back to familiar daily routines in the company of their peers and all the staff are enthusiastically looking forward to a very successful and productive year ahead.

Apart from a few early hiccoughs, SEN Transport bringing students into school this week seems to have run relatively smoothly. School will continue to work closely with SEN transport colleagues to try and resolve any issues but if you have any urgent concerns you may like to ring SEN Transport directly on 020 8825 5544.

All families should have received their new Home School Diary which has the term dates attached to the inside cover. Please do use these diaries to keep in touch with your young person's class team. Telephone calls and emails are also always welcome and there will be an Open Evening before the October half term break.

We have had a special welcome assembly this afternoon to end the week and we have also spent a little time thinking about the Queen's passing and remembering our joyous Platinum Jubilee Party last summer. Hopefully this will help some students to make sense of what they are seeing and hearing on television whilst the whole nation is mourning the loss of our extraordinary monarch.

Every good wish for the weekend and please do contact the school office if you have any queries so that you can be directed to the appropriate person. Please remember that we are all here to help in any way that we can so that we can maximise the achievement and well-being of each young person.

Yours sincerely

Gillian Carver
Headteacher.
